### Waiver Request to: Vermont Standards Board for Professional Educators

#### **The Vermont Standards Board for Professional Educators (VSBPE) Waiver Rule 5950 5951**

The VSPE may consider waiving its established rules under the following circumstances:

- A. When strict application and/or enforcement of the existing VSBPE rules would create an unintended consequence, the result of which would be contrary to the intent of the VSBPE's rules as a whole; or
- B. When strict application and/or enforcement of the VSBPE's existing rules would create an undue hardship for a licensee, an applicant, an educator preparation program, or a school district.

#### **5952**

The VSBPE shall only waive its rules under extraordinary circumstances, and under circumstances in which the interests of all affected learners are protected. In considering a waiver request, the decision of the VSBPE shall be final. This rule shall not apply to the consideration of particular waiver requests which are presently, or may be in the future, covered by separate, and more specific, rules regarding waivers (such as any rule pertaining to Praxis testing).
